

# KEEFER BASKETBALL CAMP

@ Lawrence North High School

The place to be in the Summer of 2009!

## Wildcats Boys Basketball Clinic

Grades: K-9

Join in the fun at LN in the Summer of 2009! The Wildcat Basketball Clinic, under the leadership of 2006 USA Today national Coach of the year, Jack Keefer, is one of the most respected camps in Indiana. Over 10,000 grade school students have participated over the years and the camp has produced 12 Indiana All-Stars, one Mr. Basketball, 3 Trester Mental Attitude Awards over 85 Division I basketball players and four Indiana High School State Basketball Championships!

Three different camps are offered to meet different interests and needs.

**Day Camp:** A full day of basketball and fun! This camp will include various skill sessions to learn and improve basic and advanced basketball skills. Participants will be grouped according to age/grade and will also play several games per day with a week ending tournament. Guest speakers, videos and other activities also included. Awards presented at weeks' end!

**Regular Basketball Camp:** Skills of basketball are taught to boys in grades K through 9 next year. The clinic will run Monday through Thursday 4 hours a day for 2 weeks. A student may attend one week or 2 weeks. Trophies and other awards will be presented the last week of regular camp (June 22-25) and will be based on participation for two weeks.

**Shooting Camp:** Three hours a day (8:00-11:00 a.m.). A player can sign up for one week or both weeks. We will break down the skill of shooting, the most important skill in the game of basketball. Enrollment will be limited so that individual attention can be given. The camp is open to all grades (K-9<sup>th</sup>), but players must be serious students. The shooting camp will be detailed and physically and mentally demanding. You can extend the 2<sup>nd</sup> week of shooting camp to a full day camp.
